The world these days is facing a great number of serious challenges, such as global energy concerns, regional and ethnic conflicts, economic growth, migration, East-West relations, political unpredictability, etc. For this reason, a Master's programme in Russian Studies is designed to meet this strong interest by engaging the many analytical challenges of how it is being solved in Russia.

The Master's programme in Russian Studies is unique in the Russian Federation in that it offers students a well-balanced combination of several disciplines.

The Master's programme in Russian Studies is designed for:

- students, who already hold a Bachelor degree or its equivalent
- students seeking to explore Russia, its modern political, social and economic conditions as well as many aspects of the Russian language, the literature, the history and the culture
- students, who wish to pursue careers in international trade and commerce, geopolitics, teaching, journalism and other related fields, or to prepare themselves for doctoral studies
- students dreaming to study in Moscow with the students from all over the world, to make new friends and have fun!

Peoples' Friendship University of Russia is a renowned research center well known both in Russia and abroad. It has been teaching international students for over 50 years.

With over 72,000 international graduates, it stands out in the country for its unparalleled record in this regard. The University has one of the best Russian schools of teaching Russian as a foreign language and teaching foreign languages to Russian-speaking students. It is enough to mention the fact that it was PFUR teachers who taught Russian to most international astronauts at the Gagarin Cosmonauts' Training Center.

Peoples' Friendship University of Russia has a good infrastructure. It includes a spacious campus, a sports centre, libraries, an exclusive medical centre, a cultural centre, a post office, and a choice of restaurants, among other facilities.

Master's Programme in Russia studies helps students to gain fundamental knowledge and skills in multidimensional studying of Russia.

Those who take Russian Studies programme will find themselves well-equipped for positions in:

- diplomatic service,
- public service,
- law and accounting,
- journalism,
- travel and tourism, as well as
- traditional career of teaching and science.

Master's Programme is useful for students who wish to be trained in a wide range of disciplines: international relations, economics and law, history and culture, philosophical and social and political aspects, Russian culture and Russian language.

Come to Moscow and study Russia!
You will have an opportunity to have 2 years in Moscow, to make new friends from all the regions of Russia as well as from all over world!
Welcome!
